And What Have You

By BOB CRAIG

Received a note this week from Supt. Bob Hawes and he says that the school has not received enough responses to the questionnaire which was mailed out recently to really help in determining what the public thinks their children should be learning in school.

This questionnaire is a vital part of the school accreditation process. Hawes points out that by answering and returning the questionnaire you can, without identifying yourself, let the school know your opinion as to what you think your schools are doing and what they should be doing.

So, if you were one of those who received a questionnaire but have not returned it, please look it up, fill it out and mail it back.

Your cooperation on this effort to improve our schools will be appreciated he says.

The following editorial appeared in this past week's issue of The Perryton Herald and contains some sound advice that we would like to pass along to our readers.

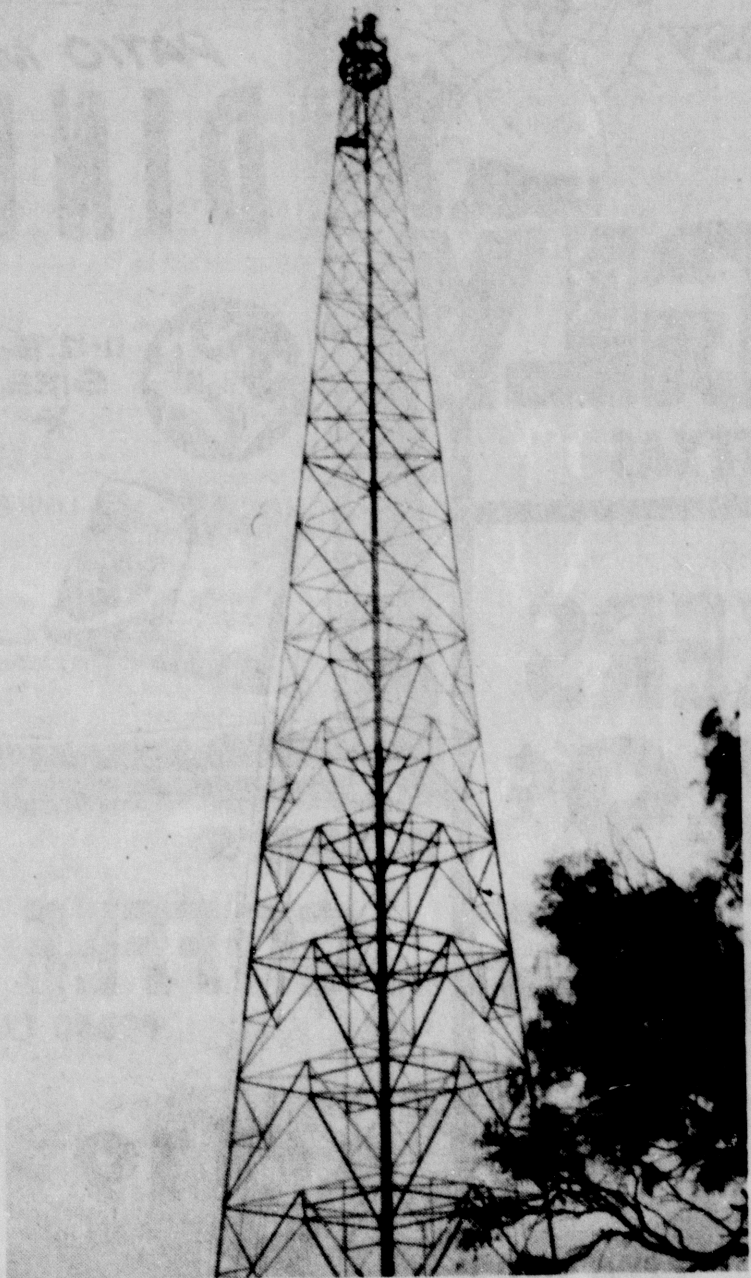

The Amarillo Better Business Bureau sends out an excellent bulletin each month and we happen to be on the mailing list for it. This month the BBB cautions against charity solicitation from individuals or organizations outside the regular United Fund set-up. The BBB says that it is not uncommon for promoters of charity drives to rake off 80 per cent of the take before the charity gets anything. There are a number of fund raising terms used in solicitation, and the term "taplist" heads the list because this is a list of companies or individuals who have a known record of giving and can be depended upon to kick in when asked. These lists are usually well guarded and if sold to another promoter, are very expensive. It's more or less "money in the bank" for whoever holds them.

The term "excellent sponsor" is used when the promoter has a contract or agreement with a well-known service club or organization, the very mention of whose name will create a good impression. These organizations are usually approached with the line that they don't have to do anything but lend their name to the promotion and in return will get a nice cash dividend. The term "boiler room" applies to an office set up by an operator for the sole purpose of extracting the most money in the shortest time possible from the businessman or home owner in the name of sweet charity. Telephone solicitors are skilled or tutored in the techniques of extracting money by telephone. They sell and immediately send around a collector before the giver cools off.

In addition to the charity routines, there are all kinds of schemes making the rounds these days to bring in a quick buck. We received in the mail this week a communication from an outfit calling itself the "Global Business and Industrial Directory." What they sent us was an invoice for a half page ad in a directory at a cost of \$295.00. In finer print below it was explained that this was not actually an invoice but a solicitation to buy advertising space. Of course this outfit gambles upon the possibility that a firm, probably a large one, will let this invoice slip through as approved for payment and they are that much ahead. It must yield some results because this sort of solicitation is carried on year after year. It is not illegal, merely a sucker trap for the unwary.

The most common easy money scheme comes via the classified ads where promoters promise unsuspecting individuals a lot for nothing. These are the "Earn Money at Home" type of ads. They all have one thing in common. They require you to buy something before you can begin work. If you

COMING DOWN—One of Hamlin's familiar landmarks started coming down this week as workmen began the task of tearing down Southwestern Bell Telephone Company's Microwave Tower. The workmen are cutting the tower and dropping the pieces down a rope. The salvage operation is expected to take about a week. The tower, constructed in the early sixties, has been replaced by underground cable and is no longer in use.

Community Education Program To Launch Third Year Monday

The Hamlin Community Education Program will begin its third year of operation here next week, according to Carlton Taylor, director. The first week of classes will include beginning baton twirling, yeast dough baking and needlepoint.

The classes are open to both students and adults and residents of all area towns are welcome and urged to participate in all Hamlin Community Education activities, Taylor said.

Registration for any of the courses will be in the high school foyer 30 minutes before the first class meeting of each course. The tuition or fee for most classes is 50 cents per hour. Fees for materials are not included and materials required by any course will be furnished by the student.

All courses will require a minimum of 10 participants in order for the class to be offered.

The class in Beginning Baton Twirling will begin at 4 p.m. on the lawn in front of the high school building. The class will be held on four consecutive Mondays from 4 to 5 p.m. The fee is \$2.00 and the instructor will be Miss Jamie Jones, head twirler of the high school band. She will offer instruction in the basic twirling fundamentals for all school-age girls who have had little or no twirling experience.

Also scheduled to begin on Monday is the class on Yeast Dough Baking. Class participants will learn to make hot rolls, coffee cake, cinnamon rolls and more. The class will begin at 7 p.m. in the high school homemaking

room. It will be held on Mondays from 7 to 9 p.m. for three weeks. Fee for the class will be \$3.00 and Mrs. Donald Young will be the instructor. Beginning Needlepoint will begin on Tuesday at 7 p.m. Participants will learn the basic and fancy needlepoint stitches while making a picture or pillow. Person enrolling for the class will need to bring a needlepoint needle, needlepoint thread, a thimble and small scissors. Men as well as women are encouraged to enroll for this class. The class will meet on Tuesday from 7 to 9 p.m. for four weeks in the high school library. The fee is \$4.00 and the instructor will be Opal Smith.

Classes in other subjects will be announced by Taylor later this fall. "Community Education is people working, learning and growing together to create a better environment for all its citizens," Taylor said. "Don't miss out on all the learning and socializing... come on out to the high school and get involved in all of the activities," he added.

Aspermont Cleanup Week Now Underway

Aspermont—The Aspermont Citywide Cleanup is in full swing this week as lots and other properties are being cleaned.

County and city trucks are being used to pick up the debris. Residents are calling the City Hall when they have the trash ready to be picked up. Verda Mitchell, city secretary, said Tuesday that

the response to the cleanup had been good.

Volunteers along with members of the Lions Club and Boy Scouts are helping those who cannot clean their own property. The city hall number may be called if someone needs help. There will be no charge for this service but donations to the civic organizations will be appreciated.

Mayor Oscar Dickerson proclaimed Oct. 2-8 as cleanup week.

Marchel Nauert, president of the Aspermont Lions Club, is assisting with the cleanup campaign.

Hamlin Gun Club Sets Sunday Shoot

The Hamlin Gun Club will hold a Hunting Rifle 100-yard Target Shoot this Sunday at the club's range at West Lake. The shoot will get underway at 10 a.m.

Three classes are planned for the shoot: bench rest, off hand and prone position. Entry fee is \$5.00 per class. For additional information or to enter contact Curtis Payne at 576-2165.

Stenholm Enters Race For Congress

Charles Stenholm, Stamford farmer, made it official Monday evening when he announced before a large hometown crowd in Stamford that he would be a Democratic candidate for Congress.

Stenholm became the fourth Democratic candidate to enter the race to replace Omar Burleson of Anson as representative of the 17th Congressional District. Burleson has announced that he will not seek re-election and will retire from Congress at the end of 1978.

The huge 17th Congressional District covers 33 counties. The other announced Democratic candidates in the race are A. L. (Dusty) Rhodes of Abilene, Jim Snowden of Tye and Jim Baum of Big Spring.

Hamlin High School Homecoming is Oct. 27-28.

Sidewalk Sale Set Saturday

A Sidewalk Sale, sponsored by the Retail Trade Development committee of the Hamlin Board of Community Development, will be held in downtown Hamlin Saturday.

All area residents are invited to bring goods that they wish to sell and set up selling stations on the downtown sidewalks.

Merchants are also advertising specials for the sidewalk sale.

HORNETS TO HOST PADUCAH—

Pipers to Travel to Knox City Friday

The Hamlin Pipers will be trying to get back into the win column this Friday night when they travel to Knox City to take on the undefeated Greyhounds. The Greyhounds defeated the Aspermont Hornets Friday night, 21-0, in their District 7-A opener while the Pipers were losing a hard fought battle with Munday.

The Aspermont Hornets will host the Paducah Dragons this week with both

teams looking for their first win of the season. The Dragons were undefeated by the Haskell Indians Friday, 32-0. In the other district game last week, the Crowell Wildcats remained undefeated by knocking off the Rotan Yellowhammers, 22-6.

While the Pipers are at Knox City and the Hornets are hosting the Dragons, Rotan will play at Haskell and Crowell will travel to Munday.

Both Crowell and Munday are undefeated for the season, although Munday has a tie with Seymour to mar its record.

The undefeated Greyhounds have rolled up 101 points this season while limiting their opponents to a total of 14 points in four games. The Pipers have scored 36 points while giving up 57.

The starting backfield for the Greyhounds Friday night will be David Anderson, 165 pounds, at quarterback; Tommy Mangis, 175 pounds, and Phillip Rhodes, 135 pounds, at the runningback positions. In short yardage situations, Jimmy Albus, 290 pounds, comes in at fullback.

Davis Benson, 140 pounds, will be the flanker and David Walling, 150 pounds, will be the wide receiver. The tight end will be David Counts, 160 pounds, the tackles will be Mark Clonts, 180 pounds, and Bobby Arnold, 155 pounds; the guards will be Skipper Jackson, 160 pounds, and Brett Boone, 150 pounds; and the center will be Junior Gonzales, 145 pounds.

Wichita Falls Man Is Being Held for Murder

A 25-year-old Wichita Falls man has been charged with murder in connection with the shooting death of his wife, whose body was found about

four miles north of Anson near U. S. Highway 277 last Thursday morning.

Michael Eugene Riddle was arrested between 4 and 11 p.m. Friday in Wichita Falls by Jones County Sheriff's department officers. District Attorney Quay Parker and his chief investigator, Bill Erwin, assisted the investigators in the case, according to Sheriff Woodrow Simmons.

Riddle was charged with murder before Wichita Falls County Judge R. L. Stewart in Wichita Falls Friday night for the shooting death of his 25-year-old wife, Yvonneda Riddle.

Mrs. Riddle's body was found Thursday morning about 50 yards off Highway 277. Wheat appeared to be two shotgun blasts which had badly disfigured the woman's head made visual identification of the body impossible, said Sheriff Simmons.

Bond for Riddle, who was taken to the Jones County Jail, was set at \$100,000.

Doyle Childress of Stamford found the woman's body about 9:30 a.m. Thursday while checking oil pumps in the area.

Three Hamlin couples spent several days in Ruidosa, N. M., last week at the Inn of the Mountain Gods. Rodger and Jill Bell, Joe Don and Renee Hymer, and John and Shirley Poe were joined there by Tom and Katherine Mackey of Fort Worth.

Farm Bureau Convention Set Saturday

Farm Bureau policies for next year will be adopted and directors will be elected at the annual meeting of the Jones County Farm Bureau Saturday, according to Larry Sloan, president. The meeting will be at 7:30 p.m. in the Anson High School Cafeteria.

Speaking at the meeting will be Ed Cumble, Area Field Representative. Also, speaking will be Keith Clifton of Lueders and Tonia Cox of Anson who will report on the citizenship seminar they attended at Waco in July.

Directors whose terms expire are: Tony Jones, Jerry Neuman, Troy Vinson and Ed Cooley.

The county Policy Development Committee will draft tentative resolutions to be voted on at the county convention. Members of this committee are: Herman Reeves, Dale King and Darrell Richards.

Attendance prizes will be given to each Farm Bureau family present and Safemark gift certificates will be given away.

Beta Theta Plans Oct. 16 Dinner Here

Beta Theta Chapter of Beta Sigma Phi is having a Chicken Spaghetti dinner, Sunday, Oct. 16, from 11:30 a.m. to 1 p.m., according to the president, Mrs. Pat Willoughby.

The noon meal will be served at Hamlin High School Cafeteria with delivery and takeout orders available.

Ways and Means Chairman Mrs. Mike Byerley and Service Chairman Mrs. Randy Brown are working together to raise money for the purchase of some new nursery equipment for Hamlin's hospital.

All proceeds will be going to this one project, Mrs. Willoughby said.

Adult tickets are \$2.50 each and children's tickets are \$1.75. These will be available from club members or at the door.

AARP Plans Bake Sale Saturday

Final plans for a bake sale Saturday will be made at tonight's meeting of the American Association of Retired Persons.

The AARP covered dish meeting will be at 6 p.m. in the First Baptist Church

HELPING OUT—Students in the Building Trades class were busy this week blowing the ceiling for the Senior Citizens building. Operating the spray gun here is Larry Quintanilla while Mario Quintanilla looks on. The students, in the class taught by Ronald Carter, are expected to start construction of a new home in the next few days as their annual work project.

Mrs. Guy Weaver was leader for the Bible study for the night group of Baptist Women of First Baptist Church at the Sept. 26 meeting in the church parlor. The study was on Leviticus, chapters one through 17.

Mrs. Howard Jones, chairman, presided and gave the opening prayer. Mrs. Ronnie Carpenter read the birthday calendar and gave a prayer.

Attending were Mmes. Sam Slaughter, Andy Brown, Roddy Haley, LaFoy Patterson, V. M. Wallace, Edgar Duncan, Herman Sharer, Albert Haught, Fred Rosenbaum, Davis Weaver and Miss Mary Helen Campbell.

Mr. and Mrs. Larry McCoy are parents of a girl, Alicia Kay, 7 lbs. 6 1/2 oz., born Oct. 2, at 6:47 p.m. They have two other daughters, Angie, 6, and Nikki, 3. Maternal grandparents are Mr. and Mrs. Elbert Payne. Paternal grandparents are Mr. and Mrs. J. E. McCoy Jr.

Mrs. Pritchard to Head Area Young Homemakers

Mrs. Roy Pritchard was elected president of Area IV Young Homemakers of Texas Saturday, Sept. 24, at the fifteenth annual convention at the Student Center on the

Hamlin Young Homemakers Meet Monday

The Hamlin Chapter of Young Homemakers met Monday night and heard a program, "To Market, To Market," by Kathryn Cawley, home economists for Lone Star Gas.

Plans were also made to meet Oct. 27, 7 p.m. at Mrs. Ronnie Carpenter's home to work on the homecoming float.

Refreshments were served to Mmes. Robert Moore, Mac Reid, Chris Pena, Ronnie Carpenter, Andy Brown, Gary Neal, Gary McMillan, Warren Reynolds, Bill Hodnett, and Joe Carter, advisor.

Abilene Christian University campus. Mrs. Pritchard served the area as secretary last year.

David Wray, minister of education, Highland Church of Christ in Abilene, was the speaker for the afternoon session. His topic was "A Family is Forever" and he spoke on parenting.

Mrs. Robert Moore and Ms. Rita Oliver served as voting delegates during the business meeting. Other YHT members from Hamlin were Mmes. Bill Hodnett, Ronnie Carpenter, Andy Brown, Gary McMillan, Warren Reynolds, Jimmy Cooper, and Joe Wayne Carter, chapter advisor.

Approximately 200 YHT members from Area IV, composed of 37 counties, attended the meeting.

LVNA to Send Two Delegates To Convention

Report was made on the Spaghetti Dinner held Friday evening by the Licensed Vocational Nurses Association, Div. 73 at the meeting Monday at Sweetwater Savings Association, Hamlin Branch community room.

Proceeds from the dinner are to be used to send delegates to the state convention in Lubbock Oct. 26-29 at South Park Inn.

Plans were made for two delegates, Hazel Higdon, president; and Effie Miller to attend the four-day convention. Tentative plans were made for five other members to attend one day.

To be covered at the convention will be complications of pregnancy and newborn abnormalities. The March of Dimes Foundation is a co-sponsor.

Mr. and Mrs. Rickey David Bond are parents of a son, David Wayne, 8 lbs. 15 oz., born Oct. 1 at 12:10 a.m. Maternal grandparents are Mr. and Mrs. Billy Jeffrey of Sylvester and paternal grandparents are Mr. and Mrs. C. D. Bond.

Personality Quiz

YOU—A RESPONSIBLE PET OWNER?

How much do you know about a pet owner's responsibilities?

This true-false quiz may help you find out, suggests Carmelita Pope, spokesperson for a pet owner responsibility program sponsored by the manufacturers of dog and cat food. In her role as Pet Ambassador, Miss Pope makes appearances around the country on behalf of the Pet Food Institute and education programs sponsored by animal welfare groups and municipal animal control departments.

Why not take this quiz now?

1. A cat or dog needs to run free to be happy.
2. A pet that's kept indoors doesn't need a license.
3. It's okay to let a pet eliminate in public areas such as parks.
4. Spaying makes a pet fat and lazy.
5. A big dog is a better watch dog than a small one.
6. A dog is entitled to one bite before his owner is liable.

ANSWERS: 1. False. A pet needs companionship. A pet that roams alone is a nuisance and in constant danger from accidents, fights, poisoning or petnapping. 2. False. License fees often help pay for animal control services. If a pet is lost the license helps authorities locate the owner. 3. False. Animal droppings make parks unhealthy and unpleasant. A number of cities require owners to clean up after their pets.

PET AMBASSADOR CARMELITA POPE, popular TV actress shown with friend, says being a responsible pet owner "simply means being a considerate humane person."

4. False. Veterinarians say that lack of exercise or too much food makes a pet fat. The only effect spaying or neutering has on personality is that it makes a pet content to stay home. Several million surplus pups and kittens are euthanized every year because homes cannot be found for them.

5. False. Protective instincts are determined by a dog's breed characteristics rather than by size. Some little dogs make excellent burglar alarms. When selecting a pup, find out all you can about his breed and choose one that fits your lifestyle.

6. False. Dog bites are becoming a major health hazard. An owner can be held responsible for any injury his dog inflicts.

GIRL SCOUT NEWS

Elect Leaders

The Third Grade Brownie Troop 316 met Monday at the Girl Scout Hut to elect group leaders and officers.

Officers are Danna Cooper, president; Paula Prewit, vice president; Shelle Pena, treasurer; and Lynn Hilliard, reporter.

Girl Scout calendars were given out to sell for 60 cents each. Plans for the Homecoming parade and Halloween were discussed. Lucille Carter served refreshments.

Others attending were Shirley Johnson, Heather

Brumley, Laverne Hunter, Renee Riggs, Kim Daugherty, Bronda Cork and Jackie Hunter.

The troop has 19 members and four adult leaders. Rebecca Prewit, leader, Ann Brumley, Juanita Hilliard and Gail Dominey, assistants.

Slumber Party

Troop 300 had a slumber party Saturday at the Scout Hut and completed requirements for two badges. The girls gathered at the hut at 6 p.m.

Spaghetti and meatballs, salad and apple cobbler were prepared for the cooking badge. A midnight snack of cake was served and the group took two hikes. They also earned the collectors badge.

They left the hut at 8 a.m. Sunday.

Phebean Class Meets Thursday In Miller Home

Phebean Sunday School Class of First Baptist Church met Thursday at the home of Bettye Miller. Georgia George gave the opening prayer and Dorothy Albritton, outreach leader, presided.

Mrs. Miller gave a Bible quiz for the devotional. Ilynn Parker, Evelyn Bingham, Lillian Greer and Mrs. Miller, hostesses, served cake, cookies, punch, coffee and nuts.

Others attending were Mildred Weaver, Bobby Nell

FARMERS & MERCHANTS NATIONAL BANK

FROM THE FILES . .

FIFTY YEARS AGO (October 7, 1927)

It is good news to Hamlin and Aspermont people to learn that the much wished for "New Route" between Hamlin and Aspermont is being opened up this week. This will put every bit of the road within Jones and Stonewall counties. The new road will lead directly north out of Central Avenue, eighty feet wide. This is a step in the extension of the International Great Plains to Mexico Highway. At this time full details of the progress of this road are not available, but "highway" matters look mighty good for Hamlin after all these years of patient waiting.

Last week it was announced that J. B. Adkins' "M" System had purchased the Holman & Boyd Meat Market. That transaction brought about some more changes in the business section. But even before that new department to the "M" System Store, they were scarce of room. In fact, J. B. says only one-fifth of his goods are seen since they put in the "M" System. But now a full thirty feet of solid brick wall runs back to hold all the bulk goods and make room for the Market Department. This makes the Adkins building one of the full length business houses in Hamlin. With this addition other nice improvements will be made to care for the growing business.

The Herald is informed that the building formerly occupied by the Holman and Boyd Market will be used by the Reynolds Confectionery. Pretty improvements are being made. Oak floored show windows etc. All of which will add to the appearance of the business district.

Scoring a touchdown in the first half, Hamlin won from Moran 7-0 in one of the best games that has been witnessed on the local gridiron.

The first half was featured by fast running plays and good punting of which Captain Rowland having the edge on his opponent.

Rain started falling during the last half. Soaking both the spectators and player, making the playing very slow. Neither team could make gains constant enough to score. The rain forced the game to stop.

TWENTY YEARS AGO (October 3, 1957)

Best per-acre average yield in the history of Jones County is the prediction for Jones County's cotton crop for 1957 that will be rolling full steam from the fields within two or three weeks by ginner, growers, buyers and the county agent, Bill Lehmberg.

Hamlin's crusading broom and mop salesmen, members of the Lions Club will be "beating the bushes" next Wednesday in their annual sales in the community as they conduct the Caravan for the Blind.

The campaign, which will raise funds for the club's activities among children and others with deficient eyesight, is being led by W. C. Ted Russell and Stanley Carmichael.

While there may be bottlenecks in the handling of transient labor for harvesting the big cotton crop in Central office to provide ample cotton pullers, according to Donald W. Hawkins, office manager.

TEC announced this week that two local representatives have been employed to work for the commission in Jones County during the harvest season in placing cotton pullers with local farmers.

Farmers who need cotton pullers should contact one or the other of these representatives by leaving word with their local gin manager or by leaving word for Mayfield with the county agent's office at Anson. These representatives will contact the cotton gins at regular intervals and will also work through the already established farm labor camps at Anson, Hamlin and Stamford.

Scores of new names were added to the names and addresses of ex-students of Hamlin High School following last week's appeal for assistance by those in charge of issuing invitations to the third annual HHS homecoming, scheduled for Friday and Saturday, October 18 and 19.

The standing room only sign was almost brought into action last Thursday night for the ladies' night of the Hamlin Rotary Club that celebrated the thirtieth anniversary of the civic organization.

Practically all the outside work on the new \$80,000 educational building at the First Baptist Church has been completed, reports the pastor, Rev. Calvin Bailey, who says the project is running ahead of schedule. It will be ready for occupancy within about three weeks, he says.

TEN YEARS AGO (October 5, 1967)

The Hamlin Lion's Club will be selling products made by the blind at their annual broom sale here Monday and Tuesday.

Official announcement of winners in a blanket selling contest by the J. M. McDonald Company were made here Tuesday evening at a dinner at Lee's Cafe.

Francis Schneeweis, store manager, received a new red Mustang sports car and sales personnel shared a bonus of \$400.

The local store not only placed first in district B, but also first in the entire chain, during the Annual Blanket Contest.

A rattlesnake three feet long and with seven rattlers was killed Tuesday evening in the back yard of the Lee Hastings home, 543 N. W. H.

James Holt, son of Mr. and Mrs. V. E. Holt, heard the snake rattle and took the Hastings' two-year-old son, Paul, into the house. He and Mrs. Hastings raked the grass and found the snake. Mr. Holt killed it.

The Pipers, fresh from their 22-7 victory over Tahoka last Friday night, will go back on the road this Saturday as they take on the Clyde Bulldogs at Clyde. This will be homecoming for the Bulldogs.

While the Pipers will be placing their undefeated record on the line, the Bulldogs will be trying to put together their first victory as they have lost four in a row.

And What Have You

--Continued from Page One

answer an ad offering you huge profits for some at-home work for which there is a great demand and which requires no experience on your part, you will wind up losing money instead of earning it. One example is the ad that promises a return of \$250 per thousand for stuffing envelopes at home. In our Franklin Printing Catalog, the standard pricing catalog for the industry, it lists a price of \$10.60 for inserting material in 1,000 envelope. So if a commercial printing plant can insert for \$10.60 per thousand, it doesn't make much sense to pay \$250 for the same job.

The catch is that before you can start making this big money stuffing envelopes, you have to send in \$10 or so for your materials. This is the money making end of the proposition, but it is not for you, it is for the fellow who runs the ad. Every week we throw away classified ad orders like this because we don't want to be a party to getting our readers swindled. We will admit that sometimes a classified ad slips by but we don't plan for these schemes to find a place in this newspaper. There are classifieds which we do publish which are legitimate and which are probably not worth answering but we leave that up to the reader who is no doubt as smart about these schemes as we are.

Another place where folks get stung, and this is the time of year for it, is in buying firewood. Most of us don't know much about firewood and when a peddler knocks on the door with some for sale we may buy some for winter use. The BBB reminds us that a cord of wood is a pile 4 feet by 4 feet or 8 feet. According to the Texas Department of Agriculture, there is no definite and legal description of a "rick" of wood and the legal definition of a rick of wood is merely a "pile of wood." Thus if you buy a rick of wood you can be delivered almost any amount and you have no recourse if you think you are shorted.

Take a Second Look

On your first look, you may think that this little girl is riding a rocking horse, but look again. It is not a rocking horse but a little donkey.

About animals now, and children. Donkeys were one of the first animals to be tamed by man, and are gentle animals when they are not practicing the quality of being stubborn.

The quality of gentleness somehow reminds us of our Saviour, the Wonderful One.

Parents, teach your children about Jesus, who admonished us to let the little children come unto Him. Our Lord would remind us that the little ones are precious to the Father. We invite you to take the children to church this week.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Dusty Rhodes Opens Campaign for Congress

A. L. (Dusty) Rhodes hasn't let any grass grow under his feet in his first month of campaigning for the U.S. House of Representatives.

The Abilene attorney and businessman announced his candidacy as a Democrat on August 16 with a one-day flying tour of the 17th Congressional District.

Rhodes' announcement came one week after Congressman Omar Burleson, who served the District in Washington for 32 years, announced that he would retire at the end of the present term.

Since announcing his candidacy, Rhodes has visited over 50 cities in 31 counties, and has been putting together a campaign organization that will be active in all 33 counties of the 17th Congressional District.

"I've been talking with businessmen, farmers and ranchers, elected officials, and hundreds of friends from all walks of life," Rhodes said.

"The campaign is off to a great start. Support is strong in every county," he added. "Wherever I go," Rhodes said, "the issues that people raise run along similar lines."

"The economy, especially energy, is on everybody's mind," said Rhodes. "And so is agriculture — farm price policy."

"But the one thing that people feel strongest about is the amount of red tape and governmental control over more and more aspects of people's lives."

"I hear people say, 'We aren't going to ask you to get the government to give us anything — we just want you to go up there and hold the line — do all you can to cut back on spending and federal control.'"

Rhodes said a number have asked him how long it will take as a new congressman to have any influence in Washington.

"My answer is that seniority is on the way out in Congress. In recent years the rules have changed to take much of the power away from committee chairmen."

"Today it's more what you

know than who you know and a willingness to be active, creative and work hard that helps a congressman to be effective."

Rhodes said he felt the issue of leadership would be paramount in the coming election campaign.

"This district needs a representative who knows the people, who believes what they believe, who will be aggressive on their behalf," Rhodes declared.

"In my practice and in my businesses, I have become closely involved in the lives of thousands of people through the years."

"For me, politics will always be a personal thing. I believe I can make a difference in Washington."

The 45-year-old Rhodes is a senior partner in the Abilene law firm of Rhodes, Doecher, Chalk and Heatherly.

He is also engaged in a number of business enterprises in West Texas, including banking, oil and gas, farming and ranching, and retail merchandising.

He serves on the board of directors of Citizens National Bank in Abilene, and also on the board of Connally Oil Co. of Abilene.

He is chairman of the board of Gibson's of Duncanville, and also board chairman of Hale Farm Supply in Haskell.

He is president of Big Ed Oil Co., and the Christi Co., Inc. He is a member of TIPO (Texas Independent Producers and Royalty Owners).

Rhodes was born into a farming family in Hugo, Okla., and has wheat farms in Oklahoma. He also has a cotton farm in Haskell County and Charolais and Hereford cattle in Taylor and Bosque Counties.

Rhodes is active in numerous community activities, including the boards of the Abilene Philharmonic, the Abilene Zoological

OF EARLIER IN TEXAS—

Institute of Texan Cultures Can Use Those Old Items

San Antonio—If you've been thinking about throwing out your grandmother's old apple peeler, don't do it. The Institute of Texan Cultures can use it.

Or if your grandfather's old blacksmith tools and curry combs are still stacked against the barn wall, you might think about making them a part of the Institute's learning experience.

Traditionally, artifacts in the Institute, and in many museums, are protected by glass and railings, mainly because the items are loaned by individuals, museums, societies and churches.

But the importance of learning at the Institute has become the foremost goal of the Educational Services Department and a new concept, that of touch and learn baskets, is well underway.

The Institute has several Society, and the West Texas Rehabilitation Center.

He is a frequent speaker for older citizens groups, and recently won a state award for service on the governor's senior citizen symposium, the Generation Connection.

Rhodes is married to the former Nancy Fanson. They have four children: Ed and Christi, students at Abilene Christian University; Annette, an Abilene High School junior; and Sherry, a ninth-grader at Lincoln Junior High.

The family are members of the Highland Church of Christ in Abilene. Rhodes serves the congregation as a deacon and a Bible class teacher.

(Paid for and authorized by the Dusty Rhodes To Congress Committee, John Allen Chalk, Treasurer, Box 1978, Abilene, Texas 79604.)

baskets, such as the Indian travois which is filled with the tools used by Texas's first settlers or the tow sack featuring pioneer artifacts. More baskets are being assembled so artifacts can be studied by people both on the floor and as part of the Institute's outreach program. This program is designed to reach school children, senior citizens or other groups who are unable to personally visit the educational agency.

The Institute's newest baskets will contain artifacts representing earlier life in Texas.

Early household items, such as vacuum cleaners or washing machines that are 75 years old or 19th century sausage stuffers and churns are needed along with old harnesses and saddles. The Institute also is looking for old branding irons, ropes and spurs. Early agricultural equipment and farm implements such as early plow points and cultivators are needed also.

Hand slates, blackboards, spelling charts and wall maps are needed for the Institute's one-room school house while pioneer furniture such as rope-strung beds, handmade chairs, candle molds, iron kettles and spinning wheels are needed for the dog-run log cabin.

Nineteenth century industry items also are needed. These include early oil field equipment such as drill bits and core samples; items from the cotton business such as samples of seeds and cotton sacks; and railroad equipment such as lanterns, oil cans and tract tools are wanted.

Traditionally Scottish items, such as kilts and bagpipes, are being sought

along with items used by German, Spanish or Mexican settlers. These artifacts can include personal things like a pipe, shaving mug or musical instruments or spurs, lariats and branding irons used by charros or vaqueros.

Old clothing and children's toys and games also are needed along with military items from World War I or earlier. This could include uniforms, headgear, or personal equipment like cartridge belts, holsters or canteens.

Touch and learn baskets are designed to bring history alive. The baskets are filled with durable but interesting and useful articles from the state's past. For example, visitors to the Institute can see an antique German Bible on display but can handle and study a 19th century working tool.

If you own any of the items listed, or know where they can be obtained, and would like to donate them to The Institute of Texan Cultures, please contact The Institute of Texan Cultures, P.O. Box 1226, San Antonio, Texas; 78294 or phone (512) 226-7651.

The Institute, a division of The University of Texas at San Antonio, is located in downtown San Antonio on HemisFair Plaza. It has been telling the true story of Texas and her people since its opening in 1968. In the process it has swept away the archtypical Texas cowboy, replacing him with the descendants of nearly 30 cultural and ethnic groups.

Although research on the settlers of Texas is an ongoing process, the Institute is also seeking to grow and expand as a learning center for students of Texas history, no matter what their age.

Turnovers Prove Costly As Pipers Lose to Munday, 14-8

The Pipers played their best defensive game of the year here Friday night but it just was not enough as they lost their District 7-A opener to the Munday Moguls, 14-8. The defending champion Pipers won the statistics but lost the game as they could not overcome five turnovers, two fumbles and three interceptions.

The strong Piper defense held the highly rated Robert Spells, who had been averaging over 100 yards a game this year, to 94 yards in 25 carries. Mike Hymer, Hamlin running back was the game's leading rusher with 96 yards in 16 carries.

The Moguls got on the scoreboard on their second possession in the first quarter after recovering their second

Hamlin fumble. They got on the loose football on the Hamlin 23 and took seven plays to cross the goal line with Spells bulling his way in the final three yards.

The other Munday touchdown came on the only Mogul drive of the night. This one good for 75 yards with Spells breaking loose for the final 24 yards after being stopped behind the line of scrimmage. Larry Welch kicked both extra points for Munday.

Three Games Set At Anson

Hamlin will play three games tonight (Thursday) at Anson with the first game between the seventh grade teams starting at 5:30. This will be followed by the eighth grade game and then the two junior varsity teams.

The junior varsity game was scheduled to be played here but was changed to Anson.

Junior High to Host Munday

Aspermont—The Aspermont Junior High teams will host Munday here today (Thursday) with the first game starting at 5 p.m.

Rep. Elmer Martin Appointed to Joint Study Committee

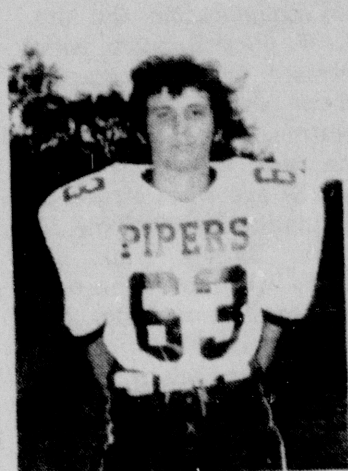

Austin—State Rep. Elmer Martin of Colorado City has been appointed as a member to a joint House study committee by House Speaker Bill Clayton.

Martin will serve on a seven member committee composed of members from the House Agricultural and Livestock, Labor, Public Education, and Criminal Jurisprudence committees. Clayton has asked the panel to make an in-depth study of the working conditions, pay scales, health problems, educational opportunities and housing conditions encountered by migrant farm workers, and recommendations for legislation where necessary.

The joint studies are being undertaken in an effort to pare spending costs by fully utilizing existing staff of committees and because the studies overlap the jurisdiction of more than one committee.

There are to be 12 separate studies undertaken in all. Final reports are to be made prior to the next legislative session in 1979.

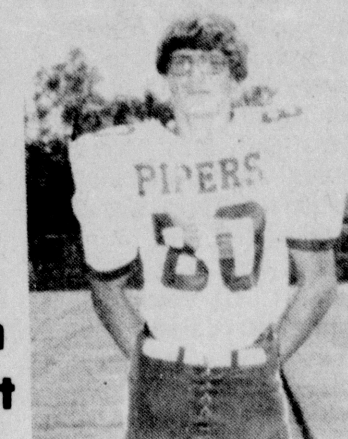

Aspermont High School Homecoming is Oct. 14-15.

The Pipers led in both first downs and total yardage and moved the ball well but could only make into the end zone the one time. Midway in the fourth period former quarterback Drew Tomlinson threw a halfback pass to Ronald Brown for 56 yards to the Munday three-yard line. It took Hymer two tries to make it into the endzone for the touchdown.

Quarterback Todd Marshall connected with Tommy Maberry for the two point conversion with seven minutes left in the game.

Trailing by six points the Pipers were forced to put the

ball in the air only to have two passes intercepted by Tony Myers. Myers' interceptions and the punting of Tony Urbanczyk kept the Pipers away from the Munday goal line the balance of the game.

Urbanczyk punted to the Hamlin 15 and to the one to force the Pipers back to their own goal line.

Myers intercepted one pass and ran it back to the Hamlin 11, but the Piper defense held the Moguls the four downs. Then as time was running out, Myers intercepted his second pass and the Moguls let the clock run out at the Hamlin 32.

Hornets Lose to Undefeated Knox City In 7-A Opener

Aspermont—The Knox City Greyhounds continued undefeated as they opened the District 7-A play with a 21-0 win over the Aspermont Hornets. Playing at Knox City, both teams were plagued by offensive mistakes as the Hornets gave up

the ball seven times on turnovers and the Greyhounds five times.

Halfback Tommy Mangis scored twice for the Greyhounds in the first half and Jimmy Albus scored the other Knox City touchdown in the final period. David An-

derson converted on the first touchdown and the other two points came in the third period when Aspermont centered the ball out of the end zone trying to punt.

Along with the turnovers, the game was marred with penalties with 14 called on the Hornets for 112 yards and Knox City nine for 95 yards.

Knox City picked up 17 first downs to Aspermont's 11 and doubled the Hornets in the rushing department with 200 yards to Aspermont's 100 yards.

McCaulley Defeated By Paint Rock

McCaulley—Tailback Paul Meeks ran for four touchdowns and passed for another to lead the Paint Rock Indians to a 55-8 scalping of McCaulley in a non-district, Six-Man football game here Friday night.

Meeks scored on runs of 30, 35, 30 and 65 yards and passed 15 yards for a touchdown to end Dwayne Schafer to raise the Indians' record to 3-1.

Also scoring for Paint Rock of District 5B were tailback Mike Puntee on a 30-yard run; back James Hallman on a 10-yard run; and end Paul Schroder on a 14-yard pass from quarterback Jimmy Hooker.

Scoring for the Eagles, now 2-3, was James Kemp on a six-yard pass from quarterback James Jeffrey. Earl Williams of McCaulley turned in an excellent game, gaining 115 yards rushing and making 11 unassisted tackles.

Highway Patrol Seeks Recruits for Training

Midland—Capt. Hugh Shaw, Acting Regional Commander of the Texas Department of Public Safety's 49 County West Texas Region, announced today that an intensive effort is being made to recruit men and women for a Law Enforcement Training Class to begin at the Department's Academy in Austin on Dec. 6.

All persons making application for the position of Trooper must be between 20 and 35 years of age, weight proportionate to height, and visual acuity no worse than 20-40 correctable to 20-20. A person must be of good moral character, excellent physical condition, and must have a minimum of 60 semester hours of college credit.

Persons selected as recruits will be assigned to Austin for an 18-week training school beginning December 6, 1977, at the Homer Garrison Jr. Law Enforcement Academy. Successful graduates will be assigned to either the Highway Patrol Service, License and Weight Service, Motor Vehicle Inspection Service, or the Driver License Service, according to the needs of the DPS and consideration of personal preference.

The salary during training will be \$348.00 per month. Room and board while at the Academy will be ap-

proximately \$60.00 per month.

Capt. Shaw said interested men and women in the area should contact the Abilene DPS office for an application. After completing the application, it should be presented to that DPS office for the examinations.

Capt. Shaw urged persons interested in attending the December 6th school to contact the Department immediately.

Screening Clinic Set Here Tuesday

The Texas Department of Health Resources, Region 4, will hold a screening clinic at the Hamlin City Hall Tuesday, Oct. 11. The clinic hours will be from 9:30 a.m. to 12:00 noon and from 1 to 2 p.m.

Screening services to be offered will be for diabetes, high blood pressure and skin tests for tuberculosis.

If further follow-up examinations are needed, the individual will be referred to his private physician or other appropriate resources.

The public is invited to attend and there will be no charge for these services.

A nursing clinic will be held every month at the same time and location.

NEWS FROM
GIBSON MEMORIAL
Nursing Home
By DORA SANDLIN

Mrs. Iley Grantham, 93, was honored with a birthday party Friday afternoon at the nursing home with her daughter and son-in-law, Mr. and Mrs. Luther Marr of Swenson, and her grandson Lloyd Marr as hosts.

Mrs. Grantham was born Sept. 30, 1884. After Happy Birthday was sung, all of the residents were served ice cream and punch.

She was then joined by close friends for cake and punch and opening of gifts. Serving the guests were Mrs. Leta Winters, Mrs. Gladys Gardner, Mrs. Joe Craft and Mrs. Mona Gibson.

Other friends there were Mrs. Pearl Hallum, Beulah Kidd, Mrs. Alvin Smith, Mrs. Eldora Smith, Mrs. Maud Gholson, Flossie Kidd, Mrs. Allie Mullen, Edith Pierce, Dora Sandlin, Ella Sue Johnson, Marie Swanson, Mrs. Carl Hitt and Sue Parker.

We are pleased to have Mrs. Etha Peacock as a volunteer to play the piano on Sunday mornings for Sunday School. Wade Davis is our faithful teacher. We do appreciate these good people.

Rev. George Weeks of Peacock Baptist Church conducted church service Sunday. Several visitors from Peacock attended.

Mrs. Mattie Coplen spent Sunday in the home of her daughter and son-in-law, Mr. and Mrs. Oliver Penrod.

Mrs. Allie Mullen spent Sunday in Swenson visiting with her daughter Loretta Gardner and family and attended Sunday School and church with her family in Swenson.

Dora Sandlin visited her sister, Myrtle Diggs at Swenson Saturday.

Mrs. Minnie McGaha's visitors included Mr. and Mrs. Alton Clark, Mrs. Alta Jean Gregory, all of Girard, and Mr. and Mrs. J. D. McGaha of Abilene.

Richard Westfall of Lubbock visited his mother, Mrs. Myrtle Westfall.

Mr. and Mrs. R. W. Johnson of Whitesboro and Mildred Ballard of Guthrie visited Mrs. Maud Ballard.

Opal Hollenback was visited by her husband, Albie Hollenback of Albuquerque, N. M., Mrs. D. W. Hughes of Roaring Spring and Gladys and L. C. Putnam of Dallas.

Visiting Mrs. Pat Hoy were Mrs. W. S. Featherston of Wichita Falls, Mr. and Mrs. Raymond Hoy and Pat Hoy, all of Swenson.

Dovie Stewart and Barbara Duckworth, both of Roby, visited Mrs. Mattie Coplen.

Mrs. Maggie Clements had several visitors from Peacock.

Visiting Mrs. Allie Mullen and Mrs. Veda Mizner were Rev. and Mrs. George Weeks and John, Mrs. J. D. Parker, all of Peacock, Loreta and Ken Gardner of Swenson, Mrs. Mac Davis of Fort Worth, Clifford Gholson of Old Glory and Mr. and Mrs. Gary Gardner and sons of Guthrie.

Jim Dool of Eastland visited Ike Britt, Elsie Sanders and Dora Sandlin.

G. A. Bradford of Peacock visited Allie Mullen, Dora Sandlin, Elsie Sanders, Maggie Clements, Ike Britt and Mrs. Myrtle Westfall.

Mr. and Mrs. M. W. Sharp of Lamesa visited with old friends, Joe Craft, Allie Mullen, Dora Sandlin, Elsie Sanders and Ike Britt and Mrs. Pat Howy.

Yesteryears...
FROM THE ASPERMONT STAR

FIFTY YEARS AGO
(October 6, 1927)

On last Thursday night, burglars entered the Post Office building at Peacock, Texas through the front door. The safe was carried about a mile West of town and had the bottom knocked out. About \$400.00 in stamps, a small sum of money and personal jewelry belonging to Mrs. Austin Eaton, Postmistress, was taken. Those consisted of rings, two or three watches, and two gold coins.

Friday morning of last week while out at one of his farms, George Tanner was bitten by a rattlesnake. He rushed to town in his car and was given medical treatment. A call was put in to Wichita Falls and an air plane brought some snake serum which was administered as soon as the plane reached here. At this writing Mr. Tanner is getting along nicely with very little effect of the snake bite.

Mr. and Mrs. W. B. Bingham entertained the Pastime Club, their husbands and a few guests on Friday evening at the Court House.

Twelve tables were arranged in the halls on the first floor and it was easy to see that everyone was having a wonderful time.

The W. M. S. met Tuesday, October 4 at the Methodist Church.

Mrs. H. W. Wylie was leader for the afternoon. The scripture lesson was read after which the leader made a short talk on "Choosing The Best Things In Life."

The Baptist Willing Workers met at the home of their teacher, Mrs. D. R. Couch, on Saturday afternoon. As it was the regular time for the election of officers, the following were elected: Lela Mae Irvin, president; La Verne Goodloe, vice president; Opal Chennault, cor. secretary; Stella Rice, recording secretary; Emma Ruth Rash, treasurer and Mildred Herring and Catherine North, pianists.

The Merry Madcaps Stock Company will show in Aspermont all next week. They are well equipped with large tent, 65 x 140 feet. Their music is something out of the ordinary, they are equipped with 15 piece band and 8 piece orchestra.

The group recently played Slaton, Snyder, Spur, Canyon and Tulla. At Spur they could not accommodate the extremely large crowd.

They play Harmony numbers, have good singing and dancing. Miss Gladstone, charming leading lady, with personality, dancing, violinist will please you.

Monday night opening play "The Whirl Pool." Don't miss this number.

Boy Scouts will conduct the open-house tours of the new and modern courthouse, which has just been completed at Jayton.

A free barbecue will be held beginning at 5:00 o'clock, and those in charge of arrangements have stated that there will be enough for all.

Wylie's unbeaten Class A Bulldogs met their match on Friday evening as Aspermont's gritty, never-say-die Hornets gave them more than they bargained for. The game, which was played in Hornet stadium was said by many to be one of the best games seen in a long time. Certainly it was a moral victory for the Hornets, at least Wylie had come into the game heralded as a powerhouse and boasting all-district material, a predicted three-touchdown favorite in scores. The spunky underdogs soon convinced everyone that they meant business and that the game was to be no walk-over for the Bulldogs. A large crowd of Hornet backers and a sprinkling of Wylie fans witnessed the game that never for a moment lacked interest.

The students of Aspermont High School are very proud of the new piano in the auditorium. It came the first part of this week.

Next week will be the first six weeks for this school term.

The senior class is still in the process of selling Christmas cards. If you haven't ordered your cards, be sure to get yours off one of the seniors.

A field day will be held at the Experiment Station at Spur on Friday, October 4, and Paul Martion, the superintendent, has extended a cordial invitation to farmers and ranchers of Stonewall County to attend.

Tours of the station will start at 9:00 a.m. and will be conducted at 30-minute intervals until 11:30 a.m. A barbecue lunch will be served for \$1.00 a plate at noon.

An outstanding program will be presented that afternoon, and will be over by 3:30. Subjects to be discussed are: water conservation, grass seed production and reseeding grasses, grassland management and cattle feedings and a wood chopper demonstration. On the morning tour visitors will see cotton research, land leveling, syrup pan terraces, grass plots and brush and weed control demonstrations.

TEN YEARS AGO
(October 5, 1967)

The M. Y. F. of the First Methodist church are planning a Freak Out for Friday October 6, from 7-9:30 p.m. All youths in the community beginning with the eighth grade up, are invited to come and see The Tower, The Room of Dreams and The Room of Sound. The theme is free expression, and those present will be given an opportunity to express themselves through art and song.

Drinks of inspiration and food for kings will be served. There will also be live entertainment at 7:30, at 8:15 and at 9:00.

The Aspermont Hornets take their 3-1 Season Record on the road this Saturday night and invade the land of the Wylie Bulldogs.

Friday, October 6, ends the first six weeks of school. Students will receive their first report card for the year Wednesday, October 11.

Perry D. Workman, outstanding Stonewall County 4-H Club member has been named winner of the 1967 state 4-H award for swine production.

This makes a total of 18 State winners for Stonewall County since 1960.

The Aspermont FFA will sponsor a Trail Ride on October 15 at Bill Gholson's ranch northeast of Aspermont. The Trail Ride will be 15 miles long with coffee, tea and cake served half way through. There will be a one dollar fee for each horse.

Everyone in Stonewall County who wants to vote in 1968 is going to have to register in order to be eligible, according to Secretary of State John Hill.

It will be the first time that the county will be able to evaluate accurately its voting potential, for years residents over 60 years of age living outside cities of 10,000 or less have not been required to register. Recently enacted legislation changes all this and every voter will have to have his or her name on the registered rolls of the county in order to be eligible to cast ballots in 1968.

Savings bond sales for August in Stonewall County reached \$2,580 dollars. Sales for the first 8 months of 1967 totaled \$42,873. This is 43 percent of the goal of \$100,000 set for Stonewall County.

TWENTY YEARS AGO

Aspermont—Aspermont 4-H Club members met last week to elect officers for the club year.

Leaders chosen for the second, third and fourth grade group that met last Monday afternoon were Lea Ann Cumble, president; Timothy Meador, vice president; Jeff Parker, secretary-treasurer; and Scott Moorhead, reporter.

Thirty-four students met with Truette Hennig, Stonewall County Extension Agent, and adult leaders Mrs. R. T. Cumble. Other adults present were Mrs. Floyd Holder, Mrs. Lloyd Hatfield and Mrs. Don Selter.

Meeting Tuesday of last week, the fifth and sixth grade 4-Hers chose Karen Cochran, president; Stephen Criswell, vice president; Steve Hawkins, secretary-

Couple Lease Cafe, Not Buy It

Aspermont—In the news story last week about Dean and Sue McAnally opening Frazier's Cafe, the story should have read that the couple had leased the cafe.

Mr. and Mrs. McAnally are owners of Hickman's Cafe and are operating both restaurants.

The staff of the Herald and Star apologize for this error and regret any inconvenience caused.

Frazier's will be open from 6 a.m. to 2 p.m. seven days a week and will have the Friday fish buffet from 6 to 10 p.m.

The hours for Hickman's are 6 a.m. to 10 p.m. seven days a week.

treasurer; and Lori Morgan, reporter.

Junior high school officers chosen last Wednesday were Brad Hennig, president; Bridget Meador, vice president; Melinda Rimes, secretary; Glinda Hill, treasurer; and Tanya Criswell, reporter.

High School officers are David Dickerson, president; Clint Cook, vice president; Kathy McCanlies, secretary-treasurer; and Jayne Cook, reporter.

National 4-H Club week is being observed Oct. 2-8. Theme of this year's observance is "4-H—Freedom to Be."

Stonewall Co. Cotton Tour Set Tuesday

Aspermont—A Farm Cotton Tour will be held Tuesday, Oct. 11, beginning at 8:30 from the ASCS office in Aspermont, according to County Agent Truette Hennig.

The variety and test project will include stops at the following farms: Jerry Douglass, John Kidd, Doyle Rash and Charles Diers in Old Glory.

Herbert Vahlenkamp, whose variety has already been harvested, took part in the project.

Aspermont—Mrs. Jess Freeman and Mildred Ballard, both of Guthrie, visited Mrs. Lena Worthington Saturday.

Stonewall JP Attends 20-Hour State Seminar

Aspermont—Eugene McDowell, Justice of the Peace, Precinct 1, Stonewall County, attended a 20-hour Texas Justice of the Peace Training Center seminar Sept. 20-23 in Amarillo at Southwest Texas State University. Eighty-six justices of the peace from the West Texas area attended.

Services Held Wednesday for Mrs. H.G. Klump

Old Glory—Funeral for Mrs. H. G. Klump, 76, of Old Glory was held at 2 p.m. Wednesday at the First United Methodist Church of Sagerton.

Mrs. Klump, a longtime resident of Stonewall County, died at 3:15 a.m. Tuesday in Haskell Memorial Hospital after a lengthy illness. She had been living at Rice Springs Care Home in Haskell.

The Rev. Wayne Florey, pastor of the Webb Baptist Church in Arlington, officiated. Burial was in Old Glory Cemetery.

Born Nov. 11, 1900, in Sipe Springs, she married Hubert G. Klump Dec. 20, 1920, in Aspermont. She was a Baptist.

Survivors include her husband; three daughters, Dorothy LaVern Elliott of Arlington, Hazel Lorene Letz of Old Glory and Peggy Odine Tabb of Deer Park; two brothers, Bailey and Garland Franklin, both of Antler, Okla.; two sisters, Ida Walsh of Lubbock and Effie Jeter of Burleson; seven grandchildren; and nine great-grandchildren.

Pallbearers were Danny Letz, Steve Letz, Dale Letz, Weldon Elliott, Robert Tabb and Bill Kold.

Gets Promotion

Tucson, Ariz.—Thomas J. Fry, son of Mrs. Arthelia McGee of Hamlin, has been promoted to technical sergeant in the U.S. Air Force.

Sergeant Fry, a medical service technician, is assigned at Davis-Monthan AFB, Ariz., with a unit of the Tactical Air Command.

The sergeant is a 1961 graduate of DePriest High School. His wife, Alma, is the daughter of Mrs. Gretrude Helton of Fort Worth.

NEWS FROM OLD GLORY

By BERNICE D. WHITE
989-2992

October is bringing some cooler weather. The thermometer reached 108 degrees here on Friday. Monday morning it was down in the 50's, much better.

The new highway construction on U.S. 380 seems to be just about completed. This road cuts straight through on the north part of town and now it is no longer necessary to make the sharp corner. The corner was believed to be something of a traffic hazard; however the road is barely complete and on Friday afternoon there was a two-car collision at the intersection of Highway 380 and Farm Road 1835. Five people are reported to have been hurt in this accident, their cars badly damaged. Three people in one car, we were told, were from Munday, and Mrs. Carothers and Mrs. Edgar Ellis of Stamford were in the other car.

People driving in Old Glory are also asked to notice that Stop signs have been changed. Some have been removed and Farm Road 1835 now has the right-of-way through town, and streets running into it must stop. We first became aware of this when we noticed a Stop sign in front of Johnson's Station and wondered how many times we had crossed without stopping since it had been there.

School is well underway now. This week concludes the first six week session. Though our students are few, Old Glory seems to be doing as well as any. This morning Co. Supt. George Rhoads handed us a quote from Lt. Governor Bill Hobby giving a solution to the school financial problems that anyone dealing with school business in anyway will appreciate:

"If each of us... were to contribute to the Available School Fund one penny for each minute spent attending board and committee meetings, preparing for and traveling to and from those meetings, reading reports, and delivering or listening to speeches on the subject of school finance, the whole system would become budget-balanced."

Candidates have been chosen for Coronation of Old Glory's Royalty Oct. 28 at 7:30 p.m. They are for King and Queen: Johnny Barrera and Sherry Rhoads, David McKee and Marcene Baldree, Jacky Jones and Billy Jo Baitz; Prince and Princess: Tony Barrera and Shelly Dunham, Paul Cox and Laura Castro, Tom Lee Rhoads and Rachel Barrera, Duke and Duchess, Wes Pierce and Cheryl Butler, Thad Jennings and Liz Friske, Bobby Lowack and Cindy Friske. Votes are 1 cent each, admission 25 cents and Seniors Ice Cream social afterwards 50 cents for all you can eat.

The Old Glory Girls Volleyball team entered the Key City Volleyball Tour-

nament in Abilene Sept. 23 and 24. They were defeated by Lubbock, Colorado City and Abilene Cooper, but both Coach Konvicka and the girls agree they received some valuable experience. The Pirates made a better showing against Aspermont Sept. 27, when they defeated the Hornets all six games that were played.

An announcement has also been made that the Old Glory Athletic Department will be collecting papers (all kinds) for recycling. Monies earned will go into the athletic fund. Persons having papers to donate are asked to notify anyone in Old Glory High School and they will be happy to pick up your papers.

Coaches and superintendents from District 26 B held a meeting at the Cliff House in Stamford recently. It was decided that the zones would remain the same as last year and admission to ball games will be \$1.00 for adults and 50 cents for students. They also decided that junior high teams will have a district tournament this year.

Old Glory seniors are now in the process of selling Christmas cards, as well as all-occasion cards. They would be pleased to take an order from anyone interested in buying from them.

The Old Glory Variety Club met Tuesday, Sept. 27, in the home of Mrs. Lisbon Letz. They sang some songs, Mrs. Beno Hertenberger led them in prayer, then after a short business meeting they enjoyed games of 84.

Delicious refreshments were served to the nine members present.

Mr. and Mrs. Clancey Lehmann and her parents, Mr. and Mrs. Bernard Letz, have returned home from a trip to Omaha, Neb., where they visited the Lehmann's daughter Gail. Miss Lehmann is the women's volleyball coach and assistant soft ball coach at the University of Nebraska in Omaha.

Mr. and Mrs. Tony Letz and Mrs. Adeline Letz spent several days in Denver, Colo., last week where they visited with Mrs. Adeline Letz's daughter and husband, Mr. and Mrs. O. D. Vanderworth.

Mrs. Herbert Klump underwent emergency surgery at the Haskell Hospital last week. She is a former resident of this community. She and Mr. Klump have been living at Rice Springs Care Home in Haskell for several years. Those who have come to be at her bedside included her daughters, Mrs. Paul Tabb of Deer Park, Mrs. Pete Elliott and Mr. Elliott of Arlington, and Mrs. Allen Letz and members of her family here at Old Glory have been with her too.

Vernon Surratt Jr. of Clyde has been a patient in Stamford Hospital and has gone to

Temple for further treatment. While Mr. and Mrs. Surratt are in Temple their daughters Nikki and Tasha are here visiting with their grandparents Mr. and Mrs. Oren Baldree and Marcene. Nikki attended kindergarten at Old Glory School Monday.

Word has been received that Jimmy True of Abilene is seriously ill. His wife is the former Carolyn Sander, who grew up in this community.

Mrs. Katie Gerloff reports that she and Mrs. Etta Barrett were involved in an accident as they were returning home from a shopping trip to Stamford one day last week. According to Mrs. Gerloff a truck stopping on the side of the road pulled out and hit Mrs. Barrett's car on the right as they were driving along. It seems neither of the ladies were hurt; but according to Mrs. Gerloff, Mrs. Barrett's car was damaged.

Jim Dodson, a graduate student at ACU in Abilene, filled in as preacher at the Old Glory Church of Christ Sunday was a dinner guest in the home of Mr. and Mrs. Tim Jennings. Mr. and Mrs. Derrell Demmon of Abilene also stopped by for church services here Sunday morning.

Mrs. Raul Soto and children Jeffery, Roger and John Paul of El Paso are here visiting with her mother, Mrs. Maria Barrera. Mrs. Barrera reports this was the first time she has seen John Paul, who is about five weeks old.

Seeks Letters From Former School Friends

Dear Mr. Craig,

I am enclosing a check for a one year's subscription to the Hamlin Herald.

Hamlin was my home town during my school years.

My big brother Santana Contreras graduated from Hamlin High and also worked there at the Herald when he was in high school. He now lives in Abilene and works for the telephone company.

We still have relatives living there.

Your ENERGY Dollar\$

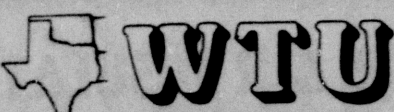

Use your ELECTRIC RANGE Wisely...

- When possible, cook several things in the oven at one time. That's a heat saver... time saver, too.
- Warm bread, rolls, or desserts in the oven by using the retained oven heat after the main course is cooked.
- Stagger cooking utensils in the oven. Heat can circulate better which increases cooking efficiency.
- Keep the oven door closed as much as possible. Depend on cooking time-charts for oven baking.

Specialist Urges Farmers To Sell Cottonseed for Feed

College Station—
Cottonseed sold this year to
feed cattle and not to offset
ginning costs may make
growers more money.
Dr. Delmer I. Davis, a
livestock specialist with the
Texas Agricultural Extension
Service, thinks so.

He says a cow-calf man
may pay cotton growers
more for their seed than a
ginner.

The gin price for cottonseed
closely is related to the
market price for lint, and the
projected market price this
year about equals production
costs.

Davis says whole cot-
tonseed require little

processing to be fed, contain
about 20 per cent natural
protein, and provide from 20
to 25 per cent more feed-
energy than most com-
mercial grain cubes con-
taining 20 per cent protein.
Up to five pounds of cot-
tonseed can be fed each cow
per day.

He says feed-energy is
critically short for a lactating
cow on nearly all native
ranges during the winter, the
time when producers must
provide supplemental energy
and protein.

Whole cottonseed are also
usually a good source of
phosphorus, a mineral de-
ficient in all Texas ranges.
Producers must provide it as
a supplement if calf growth
and cow reproduction are to
be maximized.

Davis says a cattleman
should consider feeding
whole cottonseed when its
price per pound does not
exceed the price for two-fifths
pound of cottonseed meal
containing 41 per cent
protein, plus the price for
three-fifths pound of sorghum
grain containing 10 per cent
protein.

Because the feeder usually
cannot buy cottonseed direct
from the gin, Davis recom-
mends that the cotton grower
retain ownership of the seed
even after the ginning so that
he may sell them later. Such
direct selling, says Davis,
means more profit because it
eliminates a middleman.

Despite the advantages to
feeding cottonseed, Davis
says the cowman ought to be
aware that the seed are
harder to handle than wheat
or shelled corn, require more

storage space, and do not
move as easily through an
auger. The oil in the seed can
also turn rancid if they are
stored too long, particularly
in a hot summer.

Chief Reports Success In Collecting Bad Checks

The Hamlin Police Department is being successful in its efforts to keep the local merchants from losing money on bad checks, according to Ed Wheat, chief. In fact he reports that through the efforts of his department and City Judge Loyd Burkhart they are collecting nearly all that have been turned in.

Chief Wheat says that he contributes this success to the people that take the checks. "It all depends upon how observant the person is that accepts a check or money order," he said.

A clerk in the store should record a number from the

driver's license or from the automobile. If there is neither, and the person is a stranger, some type of checking out should be done, he said.

In explaining how this can help, Chief Wheat said that recently a clerk in one of our stores was shown a photographic line-up suspects who passed some checks by forgery. She picked the suspect out of the line-up. When she cashed his check, she had placed her initials on the check and when it was shown to her several weeks later she remembered how he looked.

He was wanted in several counties for the offense. The subject was apprehended and will probably go back to the penitentiary.

"We are trying to keep the merchants from losing money and with their co-operation we are being successful," Wheat said.

Mr. and Mrs. Don Martindale of Portland are parents of a girl, Amanda Dawn, 8 lbs., born Sept. 24 at 4:30 a.m. in Taft Hospital. They have two other children, Jeff, 8, and Malinda, 5. Maternal grandparents are Mr. and Mrs. Delbert Rountree of Hamlin and paternal grandparents are Mr. and Mrs. Rabon Martindale of Ingleside.

CHOSEN THIS MONTH—Brett McCracken, Hamlin High School senior, is shown with his instructor, Lois Ellen Reynolds, in the Hamlin Memorial Hospital lab. McCracken, a trainee at the local hospital, was chosen male D. E. student of the month for September. He is the son of Mrs. Langford McCracken and the late Mr. McCracken.

D.E. SELECTION—Linda White, Hamlin High School junior, was chosen the female Distributive Education student of the month for September. The daughter of Mr. and Mrs. C. L. White, she is employed by Albritton Motors as a receptionist-cashier. She was in the pre-employment lab last year and a member of the D. E. Coop class this year.

Hamlin FFA Now Taking Orders for Annual Citrus Sale

Members of the Hamlin FFA Chapter are now taking orders for their citrus fruit sale and for their smoked turkey sale. Members will be taking orders on the fruit until Nov. 20.

Deadline for orders for turkeys will be Nov. 1 for Thanksgiving delivery and Dec. 1 for Christmas delivery.

The fruit will sell for \$7.50 per box (40 lbs.) and \$4.00 per half box (20 lbs.). Oranges, grapefruit, or mixed orders of half oranges and half grapefruit may be ordered.

The smoked turkeys will be \$16.95 each and will weigh from 8 to 10 pounds. They will be top quality turkeys.

The chapter is being allowed only one fruit sale this school year so persons wanting citrus fruit for a March delivery must place their orders for it now along with the December delivery order. The fruit will be delivered in Hamlin between Nov. 28 and Dec. 12.

Amarillo Firm Gets Contract for Area Farm-Market Road

Ivan Dement, Inc. of Amarillo will begin work on highway construction in this area during the first part of October. A contract in the amount of \$397,892.61, was awarded them by the Texas Highway Commission June 22. The work is to be completed in 140 working days.

The project is in Fisher County on F.M. 3339 five miles in length and begins 2.1 miles West of F.M. 540 from St. Highway 92 to F.M. 21412. The construction work will

consist of grading, structures, base, and surfacing. The completed pavement will be 20 feet wide.

A conference to promote traffic safety was held in the Hamlin Residency Office Sept. 22, with representatives of the contractor and the Texas Department of Highways and Public Transportation in attendance. The purpose of the meeting was to secure cooperation between all departments in promoting traffic safety through the limits of the construction project.

Adequate barricades and warning signs will be prominently displayed at all times but motorists should be extremely cautious in passing through the construction area as they will be heavily travelled by large highway construction equipment.

Area Gets Grant To Make Home Improvements

Washington, D. C.—Congressman Omar Burleson announces the approval of a \$35,541 Community Services Administration grant to the Community Action Program, Inc. with headquarters at Abilene, and serving Taylor, Mitchell, Stephens, Jones, Kent, Haskell, Stonewall, Knox, Throckmorton and Shackelford Counties.

The grant will be used for weatherization, making home repairs and energy saving improvements to minimize heat loss and improve thermal efficiency. Components include repairs to stop heat loss through infiltration; installation of a balanced combination of energy saving home improvements, including insulation and storm windows and doors and, where needed,

THURSDAY, OCTOBER 6, 1977, PAGE 11

the adjustment and repair of heating systems.

The program will run for twelve months, effective October 1, 1977.

Sgt. and Mrs. Robert Foster and children James and Melanie visited with their parents, Mr. and Mrs. Clarence Foster and Mr. and Mrs. Frank Shearer last week. The Fosters have been stationed in Twentynine Palms, Calif., and were on their way to Jacksonville, Fla. where Sgt. Foster will be stationed with the Marine Corps.

Neinda Philosopher Says Investigative Reporters Still Not Doing Enough Investigating

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route One discusses investigative journalism this week, we think.

Dear editor: Some people are saying that newspaper and TV reporters are too investigative, they ask too many questions, and if they don't stop probing into public

officials' pasts we're not going to have anybody left to run the country. I'm not sure about this. Most of us I think had rather have the reporters investigating politicians than us, just as some reporters wouldn't be interested in being investigated themselves. But they shouldn't confine their investigation to public officials.

Take something as simple

as ratings on miles per gallon a car is supposed to get, like say 35 miles on the highway, 24 in the city. What highway are they talking about, one through the mountains or one out on the plains? Which way was the wind blowing? How many kids did they have in the car and how many uncoordinated rest stops did they make? Nobody has every been able to synchronize his car's gas

stops with his kids' rest stops. Which city was the other test made in and what time of day was it? The late afternoon rush hour or 2 o'clock in the morning when the streets are empty? Or was the whole test made on a treadmill inside a building? Or take horse power. Cars and tractors are rated also on their horse power. I've got a 30-year-old tractor out here that's supposed to produce 40

horse power, and it does, if you're talking about Shetland ponies. Or take international treaties. It's not what the Panama Canal treaty for example says that matters, it's what the people who're running the world 25 years from now decide to do. Despite the fact the price of paper has quadrupled in the last few years, some treaties are still not worth what

they're written on. Some people say it used to be true that a man's word was as good as his bond. Well, it still is, only a lot of people seem to be referring to Civil War bonds. Yours faithfully, J.A. The sphinx moth has compound eyes, with each eye composed of hundreds of seeing units.
